State/Data Fees and times can change without notice. Holidays and state closures may increase turnaround times. *Certain restrictions apply where records are resold. +

Processing MVR requests for the states of Utah (UT) and Pennsylvania (PA) involves unique requirements before records are released. Utah requires the requesting organization to have a Utah.gov MVR Business Account while Pennsylvania requires the use of a specific, state-mandated release form. RSI will assist all new clients in obtaining the proper credentials so MVR records can be released.
